

## **MCKV INSTITUTE OF ENGINEERING, HOWRAH**

### **DEPARTMENT OF MECHANICAL ENGINEERING**

### **Alumni Meet – 2022 Report**

Coming back to a place that shaped the trajectory of one's own life is a priceless and unexplainable experience. Meeting old friends who traveled in different directions and sharing their life experiences with them makes this coming back an unforgettable event. Alumni Meet was organized in the Department of Mechanical Engineering on 28 May 2022 from 10.00 am onwards in the SIT Hall, to commemorate the eleven years of the launch of the first batch of ME courses at MCKV Institute of Engineering Campus.

It was an incredible reunion of alumni coming from India. It was a reunion of alumni from Bangalore, Hyderabad, Mumbai, Pune, Local, etc. students, faculty, and staff members at the MCKV Institute of Engineering Campus, Howrah. The alumni meet aims to foster a sense of community among alumni while supporting a sense of connectedness back to the institution feeling i.e. MCKV Institute of Engineering. The ME professionals can exchange information about their work, and experiences and help each other with networking needs such as hiring, referrals for specific expertise, or looking for a new job. The current students can meet with alumni of the Department. This allows them to meet others who share institutional connections and to start their academic career with new social connections.

The Alumni started arriving at SIT Hall by 10.00 a.m. and they were received by the welcome desk team. At the welcome desk, the alumni were felicitated by a red rose flower and token of love memento.

The Alumni Meet started with our traditional auspicious LAMP – LIGHTING ceremony as a tribute to Lord Ganesha since he is the Lord of Good Fortune who

provides prosperity and fortune and also the Destroyer of Obstacles of a material or spiritual order.

The department invited the Honourable Chairman Sir, Mr. Kishan Kumar Kejriwal, the Honourable CEO Sir, MCKV Group, Prof. Parthasarathi Chakraborty, respected Principal Sir Prof. (Dr.) Abhijit Lahiri, Trustee member Sir, Mr. Avay Kumar Kejriwal, respected Dean sirs, Prof. (Dr.) Arghya Sarkar, Prof. (Dr.) Prasenjit Chatterjee, Prof. (Dr.) Arun Kumar Jalan and COE Sir, Prof. (Dr.) Debapriya De. But, due to the GB meeting, the CEO sir and Principal sir attended the event.

The hosts of the event invited the Head of the Department Dr. Jaideep Dutta to the Dias to deliver the welcome address. In his welcome speech, he thanked all the alumni for responding to the invitation from the departmental coordinator and being present for the alumni meeting in spite of their busy schedules. He also talked about the necessity of this kind of event.

The hosts then invited the Dean of research and consultancy, Prof. (Dr.) Prasenjit Chatterjee to the Dias to address the audience. He also thanked all the alumni for attending the event and this kind of event can help the current students mentioned in his speech.

After the tea break, the CEO sir attended the event and was felicitated by the HOD of the ME Department. The hosts requested the CEO sir to come upon the Dias and deliver his valuable speech to the audience. In his valuable speech, he mentioned the current mechanical engineering scenario as it becomes an interdisciplinary subject by drawing the example of the 3D printing currently installed in the ME Department.

After that, the Principal sir was felicitated by the coordinator of the event, Mr. Biswajit Gayen. The hosts requested the Principal sir to come upon the Dias and deliver his inspirational speech to the gathering. In his speech, he focused his view on how the Alumni's contribution can help the department in terms of Training, Placement, Consultation, and Mentoring of our current batch of students for progress and achievements.

The next session was followed by sharing the alumni journey of success and one-to-one interaction with each alumnus started. It was a very proud moment to hear

about their journey of success & hard work, also the feelings of respect towards their college& staff also reflected at the time.

Then after, the Students' interaction session with alumni went on for an hour of time. Alumni gave valuable guidance on training, and placement & also guided tips to students on how to make a CV strong and portfolio in order to meet the need of time & market.

Then the current students performed a plethora of performances such as recitation, singing, dancing, etc.

The event ended with a vote of thanks conducted by the coordinator.

A warm and graceful afternoon to all gathered here. It's my privilege to propose a vote of thanks speech and acknowledge the contribution of those who worked really hard to make this event happen.

I, Biswajit Gayen, the coordinator of this event on behalf of the ME Dept. of MCKV Institute of Engineering, first of all, extend my most sincere thanks to the Almighty God for making today's event a resounding success. With his blessings and grace, we are able to make this event what it was.

On behalf of my department, I extend a really hearty vote of thanks to our honorable CEO sir and respected Principal sir who spared time from his busiest schedule to grace the occasion.

On behalf of my department, I extend my thankfulness to our beloved alumni who spared time from their busiest schedules to grace the occasion.

I am immensely thankful to Nishant and Ishita, for their effort toward anchoring today. Their ideas and elegance of explanation of everything, I need to mention my deepest sense of appreciation. I also extend thanks to all the staff members for their enormous cooperation within the department during this event.

I am short of words for their involvement and their willingness to take on the completion of tasks beyond their comfort zones.

I would also like to thank the people who worked behind the scene to make this event happen, our technical arrangement team, stage setting, and housekeeping staff.

Last but not least a big thank you to each one who made this Alumni Meet “FIRE DEKHA – 2022” event memorable for all of us. On behalf of my department let me thank all students who volunteered for today’s event.

Thank you all.

Few Glimpses of the Alumni Meet
